**THE ARNOLD RIM TRAIL (ART)** is envisioned as a non-motorized, multi-use trail that will eventually surround the local Highway 4 communities of Arnold, Avery and Hathaway Pines.

The ART is the backbone of a much larger trail network found within an 8000 acre piece of public land known as the "Interface" in the Stanislaus National Forest. The ART offers great walking, hiking, mountain biking, horseback riding and a myriad of other outdoor pursuits.

### DIRECTIONS TO TRAILHEAD

Trail access can be found at any one of three trailheads along the Highway 4 corridor. All are a short distance off Highway 4.

#### 1. AVERY SHEEP RANCH RD.

In Avery, from eastbound Highway 4, turn left onto Avery Sheep Ranch Rd. Trail head is approximately 1.5 miles on your right.

#### 2. VALLEY VIEW DR.

In Arnold, from eastbound Highway 4 in Arnold, turn left on Lakemont Drive. Veer left at the first junction onto Valley View Drive and follow for one mile through the residential area. Once the pavement ends, follow the dirt road for another 0.5 mile. Parking area will be your right. The "P9" access trail that joins ART is in the southwest corner.

#### 3. WHITE PINES LAKE/SIERRA LOGGING MUSEUM

From eastbound Highway 4 in Arnold, veer left onto Blagen Road and follow for approximately one mile through the community of White Pines. Turn left on Dunbar Rd, travel past Hazel Fischer Elementary and turn right at the giant pencil.

**TRAIL ETIQUETTE** The Arnold Rim Trail is also known as the "good neighbor trail." As with a neighbor, courtesy is a given while on the trail. As a reminder, and for those new to the trail, trail etiquette signage is posted along the trail and is typically expressed in the following manner below. **Please Do Not Ride** (mtn bikes/horses) after heavy rains or when soil is saturated! If you are leaving tracks on trail, it is too wet to ride.

### MULTIPLE USE TRAIL GUIDELINES FOR TRAIL COURTESY Hike It • Bike It • Ride It

 <b>HIKERS</b> Yield trail to equestrians. Allow equestrians and bicyclists to pass. Don't cut switchbacks.	 <b>BICYCLISTS</b> Ride on open trails only. Leave No Trace. Control your bicycle. Always yield trail. Never scare animals. Plan ahead.	 <b>EQUESTRIANS</b> Control your horse. Avoid cross-country riding.	<b>ALL USERS</b> For Your Safety Please: Observe Rules And Regulations. Stay on Designated Trails. Be Alert And Courteous. Avoid Muddy Areas.
